

REVOLUTIONARY LEAP

*The future's business model is no longer up for grabs!
Do you see it coming? Is your business ready for a
Revolutionary Leap?*

- 1 Where do you see the workplace evolving to within the next five years? What will it take to be ready?
- 2 In what ways are your business practices limiting your ability to adapt?
- 3 What missing link could help create revolutionary success in your organization?
- 4 What is the cost of not finding the missing link or using practices that endanger your adaptability?
- 5 What fear about your competitors (current or upstarts) keeps you awake at night and threatens your survival?
- 6 How sustainable is your current financial environment?
- 7 How energized are you in anticipation of next generation financial results?
- 8 In what dynamic direction would you like to see your organization evolve?
- 9 On a scale of 1 to 5, 1 being self-serving, 5 being unified, how would you rate your culture?
- 10 What is your first step to becoming a consciously evolving organization?
